Exhibition design and construction

Our mission is to deliver exhibition stands in a manner allowing our customers to focus on their business matters instead of worrying about technical details. We provide complex solutions – from 3D designs of the booth to its full implementation.

Promotional gifts

Wide assortment and good prices on all kinds of company gifts, e.g. pens with branding, lanyards, mugs, USB drives, bags, keychains, pendants, promotional clothing, exclusive gadgets and many more...

Marketing events

We organize all type of marketing events, including company events, themed events and teambuilding, celebrations, banquets, conferences, promotional events, artistic and visual shows. We also provide full technical supervision.

Marketing materials

We can provide almost every type of marketing material, such as: leaflets, folders, brochures, catalogues, posters and other type of prints. We also distribute expo systems such as roll-ups, brochure holders, pop-up walls and many more.
